📍 Iran

EDUCATION

- **Master Power electronic engineering**
K . N . Toosi University of Technology , Tehran
09/2018 – Present
- **Bachelor Control engineering**
University of Zanjan
01/2014 – 08/2017
Courses
 - Thesis title: Design of digital controller for Choppers

WORK EXPERIENCE

- **Internship**
Iran Transfo
07/2016 – 09/2016
- **T.A Electrical machines**
University of Zanjan
10/2016 – 01/2017
- **T.A General mathematics**
University of Zanjan
10/2015 – 01/2016

SKILLS

Controller design

Design and implementation power electronic converters

PLC

Matlab/simulink

AVR

PERSONAL PROJECTS

Design and implement controller for power electronic converters

ORGANIZATIONS

Organization Name

CERTIFICATES

Certificate Name

LANGUAGES

English
Full Professional Proficiency

Turkish
Native or Bilingual Proficiency

Persian
Native or Bilingual Proficiency

INTERESTS

controller Design with new methods

industrial automation

Digital controller
