

SOHRAB ABBASIAN KASEGARI

Date : 18 Oct 1995

Education

Bs.c [Babol Noshirvani University-power engineering]

[2014] – [2018]

[17.30]

Ms.c [K.N Toosi University-power electrical engineering]

[2018] –[]

Work Experience

[Design and implement motor dc drive by wireliess controller with AVR] [2018]

[Design and implement small scales with AVR] [2017]

[Design and implement distance meter with arduino] [2017]

[Design and implement distance meter with arduino] [2017]

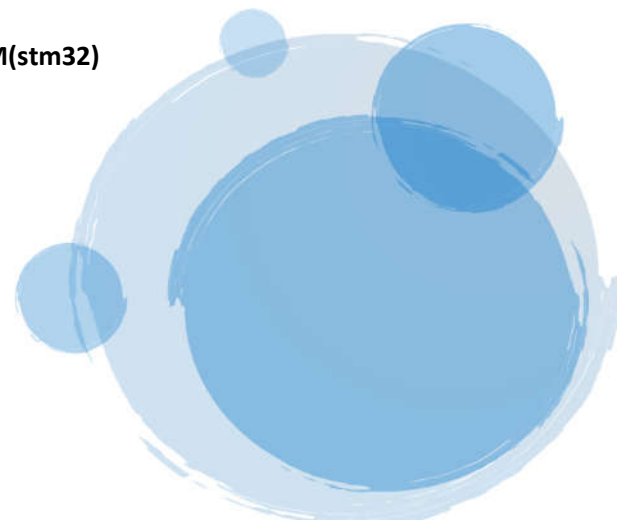

Skill

Design and implementation Power Electronic convertors

Micro controller programing AVR

Micro controller programing ARM(stm32)

Altium designer

IRAN-Babolsar
