

▶ mohammadreza naeimi

E-mail: naimi.eng1994@gmail.com

Phone : -

Address : Tehran, KASHANI st.

Education

B.Sc, In Electrical Engineering, shahid beheshti university (Tehran), Iran (2012-2016), (brilliant talent)

M.Sc, In Electrical Engineering, K. N. Toosi University of Technology University (Tehran) Iran.

Experience

- (2015-2017) – Tarhandishan Company
Job title: Electrical designer
- (2018-2019) ACECR Nasir Branch
Job title : designer of electrical machine (motor & generator)

Skills

- ▶ *Experience in the design and construction of synchronous reluctance machine*
- ▶ *Experience in the design and construction of permanent magnet synchronous motor (PMSM)*

Computer skill

- ▶ *High-level skills in working with MOTORSOLVE (application for electrical machine design)*
- ▶ *High-level skills in working with MAGNET .*
- ▶ *High-level skills in working with THERMNET .*
- ▶ *High-level skills in working with OPTINET .*
- ▶ *enough experienced to work with MATLAB*
- ▶ *enough experienced to work with ETAP, DIALUX & PLS CADD*
- ▶ *High-level general computer skills including AutoCAD and Ms Office software.*

Publication

Design and Performance Evaluation of Synchronous Reluctance Machine (International Conference on Electrical Power and Energy Systems to be held in Toronto-2018)

Language

Persian: Native

English: Fluent

Interest

*Design different types of motors and generators.
motor design with high efficiency.*
